

# WORK WHERE YOU PLAY

## OUTSIDE SALESPERSON JOB DESCRIPTION

Considering a move to the beautiful northland? Do you want a great job where you want to live and play? Northland Lawn, Sport & Equipment's growing family of full-service John Deere dealerships is hiring an Outside Salesperson for its Northern Wisconsin territory. We are looking for a dynamic individual to help us serve our wide range of agricultural, commercial, municipal and consumer customers.

Equipment and outside sales experience is preferred, although we are willing to train the right individual! If you are determined to create an exceptional customer experience, bring enthusiasm to your job and share our passion for the great outdoors, consider joining our impressive team of 75+ professionals across Northern Minnesota, Northern Wisconsin and the Upper Peninsula of Michigan.

Our group of five dealerships offer a wide range of America's best equipment, including John Deere, Polaris, Arctic Cat, Honda, Stihl, Floe Docks and many other leading brands. At Northland, you will work with a fun, fast paced, family environment and enjoy competitive base pay, commission, bonuses, company vehicle and great benefits. Relocation assistance is also available.
