**COVID-19 Update 5-08-2020**

If you would like to view any of the past COVID-19 updates from the Ashland Chamber go to <https://www.visitashland.com/events/covid-19-updates/>

**Good Friday afternoon on this cold chilly day!**

We really are getting closer! WEDC launched their new website this morning with guidelines for reopening. The website is [www.wedc.org/reopen-guidelines](http://www.wedc.org/reopen-guidelines) The site shows guidelines for different industries and will be a work in progress as we move from phase to phase.

**Let's end the week with good, fun, positive news!!**

Enbridge called a few weeks ago and asked how they could help our business community. They had given \$3,000 in lunches to the Brick a few weeks back and wondered about the business community. After discussing the hardships many of our small independent business owners were going through, they donated \$5,000 to the Chamber to give out. It took us a while to figure out the right, fair, way to hand out this money and we came up with a plan thanks to

feedback from some of you, to give out \$500 checks to 10 extremely vulnerable businesses. We also received an additional \$1,000 gift anonymously, so we were able to give 12 - \$500 checks. There were 34 businesses that fit into this category; We simply drew names from a hat and these are the winners. Thank you to Enbridge for Donating \$5,000 to the Chamber to help our small businesses. They are so important to our community and are the first to give to the many fundraisers for charities and other benefits! Thank you also to those businesses that said, “give ours to someone else, we will be okay”.

**Let’s Decorate the Town for the Ashland High School**

**Seniors!!**

Please put posters, banners, or any other encouraging signs in your store windows to congratulate our Ashland High School Seniors! We are planning on a special Car Run for just the Ashland High School Seniors next Friday, May 15!! (Details later on that one)... Anywho, you can help them feel special with encouraging signs in your windows!! We have a bunch of roll paper if you need paper to make banners with. I’m asking Brian Tritten, Principal of the Ashland HighSchool, to do a call out to all students to make signs and posters, etc.. and put in their windows at home as well, and if they have extra, they can bring

them to the chamber so we can distribute them. We would like you to put them up and keep them up through Graduation if possible!! This will be fun!!
