EX-OFFENDER EMPLOYMENT: AN OPPORTUNITY & STRATEGY FOR A COMPETITIVE ADVANTAGE IN TODAY'S ECONOMY

NATHANIEL MELTON, CORRECTIONAL SERVICES SPECIALIST

9,000 individuals in Wisconsin are returning to their communities each year from prison. Many of these individuals are motivated to take advantage of classes and work opportunities offered to them while incarcerated to better themselves. Institutions have begun creating opportunities for individuals to get an education and a degree in custodial services, welding, CNC machining, and more. This webinar will cover many of the training opportunities offered in these institutions and how employers can tap into this population as a viable workforce.

The webinar will take place on [January 9th](#), at **11:00 AM. Webinars are 30 minutes long with time dedicated afterward for questions.**

Registration is required to participate! To register for the webinar, please visit: www.nwwib.com/bizserviceswebinars
