

Northland Lawn, Sport & Equipment Job opportunities

Powersports Mechanic

Northland Lawn, Sport & Equipment's growing family of dealerships is hiring a full-time powersports mechanic for its Mason, WI dealership to work on our line-up of Polaris, and Arctic Cat equipment. Previous experience with diagnostic and repair of ATV's, UTV's and Snowmobiles is required. Competitive pay, full benefits and overtime offered. Paid training opportunities.

Job Type: Full-time

Parts Advisor

Northland Lawn, Sport & Equipment's growing family of dealerships is hiring a full-time Parts Salesperson for its Mason, WI dealership. Work with our exciting line-up of John Deere, Polaris and Stihl equipment. Duties include exceptional customer service, which includes explaining how a part functions, demonstrate proper use of equipment and provide advice and installation instructions to customers. Parts Salesperson responsibilities also include processing sales payments, examine exchanged parts, order parts from manufacturers and keep stockrooms organized. Experience with diesel engines, hydraulics, ag and commercial equipment is preferred, but we are willing to train. Work in the great north country with a fun, fast paced, family environment and enjoy competitive pay (based on experience) and great benefits.

Job Type: Full-time
