Two New pieces in 2020

- We partnered with Bayfield Chamber and Visitor Bureau and created a 4-County waterfalls brochure that included Ashland, Bayfield, Douglas, and Iron Counties. It was so popular we ran out of brochures. We are making some changes and additions, and will again print this piece in 2020!
- In 2019, We introduced a new comprehensive, informational fishing guide for the Chequamegon Bay. This piece has been extremely popular. 2020, we will create an Ashland County inland lake Fishing brochure.

The Ashland County Visitor Guide acts as the fulfillment piece for our marketing and we contract with 5- Star Marketing, a brochure distribution company, to place brochures in several WI and MN markets in all four seasons. In addition, we will

partner with Bayfield & Madeline Island to have a large presence in the Beloit Welcome Center. Along with the visitor guide, we also print the Ashland Mural Walk brochures, and the Ashland Shopping & Dining Guide. ALL retail businesses with a storefront are listed in the shopping and dining guide, however, Chamber Members are given the opportunity to have a description of their business in the guide.

We currently administer 10 websites and a Facebook Page – www.visitashland.com is our main website and the County’s website is www.travelashlandcounty.com. WhistleStop, Apostle Islands Inline, Chequamegon Bay Birding & Nature Festival, Superior Vistas Bicycle Tour, Ashland Bay Days, Chick-uamegon and Muralbrick Road correspond with our Chamber and County sites.

Along with promoting the abundance of outdoor activities and events, the Ashland Area Chamber of Commerce continues to promote and invest in the sustainability of our historic downtown. We create events throughout the year that invite both tourists and locals to visit Historic Main Street and see the many stores, restaurants, museum, and beautiful murals, that are primarily located in the 8-block Main Street Business District, listed on the National Register of Historic Places

Ashland is becoming more and more of a destination because of the promotions, events, recreational opportunities, tourism businesses and the recognition of being the Historic Mural Capital of Wisconsin. Our location on Lake Superior and Chequamegon Bay lend itself to partnering with our neighbors Washburn, Bayfield, and Madeline Island. The Chequamegon Bay Chambers meet regularly and work together to promote the bay to travelers in our areas.

Thank you for partnering with us through your membership, volunteerism, sponsorship, and investment in Ashland
.....*The Heart of Chequamegon Bay*. We know you have already found yourself *next to the water!*

Help Promote our Artesian Wells and cut down on plastic bottles!! We have been promoting the clean, cold, crisp, clear artesian well water for several years and highlight our water in both the visitor guide and our television commercials.
