Join Our Team!

AGC Construction is a custom home builder serving Northern Wisconsin, specializing in high-quality custom homes, cabins, and residential construction projects. We are seeking a skilled and dependable Carpenter to join our growing team. If you take pride in quality craftsmanship and enjoy building custom homes from the ground up, we'd like to hear from you.

Position Summary

The Carpenter will be responsible for a variety of carpentry and construction tasks involved in building custom homes from foundation through finish work. This position offers year-round employment and the opportunity to work on unique residential projects throughout the region.

Responsibilities

- Perform residential framing, siding, roofing, decking, and finish carpentry.
- Read and interpret blueprints and construction plans.
- Install doors, windows, trim, cabinetry, and other finish materials.
- Measure, cut, and assemble building materials accurately.
- Operate hand and power tools safely and efficiently.
- Maintain a clean, organized, and safe job site.
- Work independently and with crew members to meet project schedules.
- Communicate effectively with supervisors, subcontractors, and homeowners.
- Follow all company safety procedures and quality standards.

Qualifications

- Residential carpentry or construction experience required.
- Experience with custom home construction preferred.
- Ability to read and interpret construction drawings and plans.
- Strong attention to detail and commitment to quality workmanship.
- Valid driver's license and reliable transportation.
- Ability to lift 50+ pounds and perform physically demanding work.
- Ability to work outdoors in varying weather conditions.
- Dependable, self-motivated, and team-oriented.

Benefits

- Competitive hourly wage based on experience.
- Year-round employment.
- Four 10-hour workdays per week with three-day weekends.
- Paid holidays and paid time off.
- Company-matched SIMPLE IRA retirement plan.
- Opportunities for advancement and professional development.
- Supportive team environment focused on quality craftsmanship.
