

Northwood Tech Alumni Association's Annual Holiday "Love Lights" Fundraiser

Honor your loved ones – deceased, living or serving in the armed services. Purchase a Love Light that will adorn the evergreen tree near the main entrance of the Northwood Technical College Ashland Campus. You may honor those serving in the armed services both at home and abroad, commemorate the deceased and honor living loved ones or pets.

Please send or email us a photo of your honorees for our visual presentation.

This year's event will continue to be virtual. Honorees will be commemorated in an online presentation. We will send you the link to view the program at your leisure. The proceeds from this event will be used for Northwood Tech scholarships. "Love Lights" is sponsored by the Northwood Technical College Ashland Alumni Association.

Simply complete the form below and return to the Northwood Tech Ashland Campus.

Please return forms by December 6, 2022 so the program can be prepared.

Names will be published in the Ashland Daily Press on December 23, 2022.

Remember/Honor a Special Person or Pet with a "Love Light" (\$5 per bulb)

Names of Honorees	Deceased	Living	Service Person	Pet
